Daily Thoughts From The Hill

I AM ALIVE

The world's response to the collective consciousness of fear, anxiety, and resistance placed many of us in stillness and isolation this year. Thich Nhat Hanh, the renowned Vietnamese Zen Master, says, “To be alive, to be peaceful, to be joyful, to be loving. And that is what the world needs most.”

Have you accepted the invitation from the Divine to be alive, to be peace, to be well, to be joyful, to be loving, and to be compassionate? During this season of change, embrace this invitation to mindfulness. It is requesting your active participation to help build a new paradigm. Be alive with the Spirit of Life within you.

I have come that they might have life and have it abundantly.
St. John 10:10
